

Lake Havasu Shrine Club
Clothe-A-Child 2011

Your local Shrine Club's annual *Clothe-a-Child* project is underway. It's a wonderful Shriner's tradition of the holiday season.

Each year, we reach 75 needy elementary school children with gifts of new clothing. Some of these children are from families that are homeless, dependent on the Food Bank, single parents, and stuck in wretched poverty. They need your help...

The EAGLES Lodge will be our gathering place at 6:00 am on Saturday, December 10, 2011. First, there will be refreshments for all. Then, we'll bus the kids to K-Mart for a free shopping trip made possibly by your donations. Each child will also receive a special gift.

We'll have a volunteer to help every child. And, after shopping we'll return everyone to the EAGLES for a Christmas Party with Santa. All supervised by our Nobles, their Ladies, and our volunteers. Would you or a member of your family like to be one of the adults assigned to a child for the shopping trip and Christmas party? It's a joyful experience!

Your Shrine Club will purchase up to \$125 in clothing for each child. *Will you sponsor one or more children?*

Our Lake Havasu Shrine Club members have traditionally supported your Clothe-A-Child program. We trust that this year will be no exception. You and your Lady may do your share by sending a donation so that some needy children may enjoy Christmas. Moreover, your help in securing other donations would be a wonderful gesture of community service.

Last year, your Shrine Club collected \$8,238 from 68 non-Masonic donors. Of some 77 members of your Shrine Club, 17 contributed \$1,095. Yes, a few people did a lot. So, please mail a donation now to:

The smiling faces of these children, reflecting the love we have shared with them is a joy! **Help us...**
