

Hi Jackie and Pam:

I don't know if you are the right contacts, forgive me if not. Would you print this at your convenience?

The Havasu Masonic bodies (Havasu Masonic Lodge No 64, Order of the Eastern Star No 61, and the Havasu Shrine Club) recently delivered bikes to all elementary schools in Lake Havasu City and Parker. Bikes for Books is a national program to encourage children to read. One boy and one girl from each school will win a new bike during the contest time period. Bikes will be awarded at a party in May 2011. Pictured (from left to right) are Brian Riley, Jamaica Elementary School's Librarian Mrs. Stephanie Calder, Jamaica's reading program coordinator Mrs. Jane Jorgensen, and Robert Lydon.

Thank you!
